

ANNOUNCEMENTS

July 17th & 18th, 2021

As you may have noticed, we are in the process of upgrading our church bulletin. In order to continue printing in color and allowing for more space as we expand our outreach programs & functions, we are asking your help in securing ads on the back of our bulletin. We also encourage you to patronize those businesses on the back of the bulletin as their ads has help tremendously in defraying the cost of printing. If you or someone you know has a business and would like to advertise, please contact the church office for more information. Personal ads such as *“Congratulations”*, *“In Memory of”* or *“This ad Sponsored by”* are also available and will run for 1 year.

Our Religious Education Classes are now opened for Fall registration. Registration forms are available in the back of the church. Please pick up and complete a form for each child and return it to office as soon as possible.

This concludes our announcements
Please refer to today's bulletin for additional information
