

ACKNOWLEDGING OUR YOUTH

The faith community of St. Joseph Catholic Church is extremely proud, fortunate and grateful to the following students for their academic, athletic and musical skills:

Jori Jordan is junior and honor roll student at Comeaux High School. She is involved in the Spartans Performing Arts trip to participate in the Comeaux High School Choir Workshops at Disney World. Jori is a Choir member, Altar Server, and Lector here at St. Joseph where she provides leadership in these areas for her peers. She will depart with the Comeaux High Performing Arts group on April 4, 2019 and return on April 8, 2019. She will be participating in the Choir Workshops at the Circle of Life Theater in the Epcot center. We are extremely grateful for her commitment, dedication and the time she devotes to developing her gifts.

Kiera Washington is a junior and honor roll student at Lafayette Christian Academy. She is a gifted athlete and a faithful Altar Server here at St. Joseph. She has combined academics (honor roll), athletics (chosen as one of two non-seniors on the all district volley ball team) and living out her faith (as an Altar Server) during some of our worship services. Recently, she has competed in the Cross-Court Tournament in Houston where her team placed 2nd. Her team will be competing in two more tournaments, April 6th & 7th in Birmingham and on April 19-21 in Dallas. We at St. Joseph wish the best to Kiera, the coaching staff and teammates as they continue to give their best as they compete.
